Staying Informed

***N**avigating **T**he **T**een **Y**ears*

The teen years can be a confusing and overwhelming time for both teens and parents. St. Benedict's is pleased to offer a community information session that will address specific areas of concern; providing parents with a better understanding of some of the challenges teens encounter, as well as providing strategies for working through these challenges.

The evening will consist of short presentations, followed by an open form carousel for those wishing to speak directly with community agency representatives.
