Agenda Item		Notes
March Minutes Review	Jason	<ul style="list-style-type: none"> Nicole motioned to accept the March minutes, Sheri 2nd
Financials	Janet (treasurer absent)	<ul style="list-style-type: none"> As of Mar 12: Fundraising account still at \$5906.50 General Account still at \$5402 Total funds: \$11308.50
Spending of Council Money	Janet/ Discussion by all Members	<ul style="list-style-type: none"> Janet got some information for a proposed play structure for our school yard. She inquired with Play Power Canada in Paris. There are many variables to influence costs (location of structure, surfacing, excavating, size of playgym, age range, etc) Age range 6-12 would give more elaborate designs, instead of including age 5 and under for Kindergarten age Would be a great financial commitment and effort, so we would like to continue getting information, quotes and/or design options, before scratching the idea. Also brought up possibly using smaller local business or possibly college/co-op classes for building structures but may run into issues with Board approvals. Council asked Janet if we may be able to see if they offer a free quote or not.
Valentines Leftover Auction Items	Fundraising Committee and all members	<ul style="list-style-type: none"> Linda set up google form for a bidding system. Bidder must agree to terms on the google form before making a bid Items will then be posted with description and photos. There are eleven items in total with possibly one more unpaid item we are waiting to hear about. Items will be posted April 22 -26 and then payment due the week after bidding closes.
